8:18:50 From Fern Hauck (she/her) to Everyone:
You may consider making lifetime dues a little lower than 20x50 to add an incentive for this.

18:23:14 From shannon hader to Everyone:
Is there a link specifically to pay EISAA dues?

18:24:09 From Diana R. Scalera | CDC Foundation to Everyone:
to pay dues, visit www.eisalumni.org, click red "Alumni Login" button on top right. Once logged in to the portal click Alumni Giving and then Donate Now and you'll see an option to pay dues as well as donate.

18:22:55 From Steve Waterman to Everyone:
Will the minutes of this meeting including links be posted on the website?

18:24:09 From Gus Birkhead to Everyone:
Steve, we can post the slides and the Chat. We are also recording the meeting but I'm not sure if we can easily share that.

18:25:07 From Steve Waterman to Host and Panelists:
Thanks, Gus

18:26:17 From Alan B Bloch to Everyone:
Do we have a list of those who passed away in the previous two years?

18:29:45 From Evelyn Twentyman to Everyone:
Alan, I'll send that to you (and to anyone else who'd like that, too.) Thank you!

@Evelyn: has EISAA considered use of social media platforms to improve alumni connectivity?

19:24:40 From Andrew Vernon to Host and Panelists:

Could the skit be videotaped and made available for a modest fee?

19:27:18 From Robert Chen to Everyone:

The EIS alums with significant financial assets are generally those >60 yo. We need to specifically target these EIS Classes.

19:30:11 From Lisa Oakley to Everyone:

We're also hoping that the new portal will make paying dues easier.

19:30:17 From dale morse to Everyone:

agree. Consider lowering the lifetime dues as the chart you showed appeared to indicate that lifetime memberships plummeted when the fee increased from \$350 to \$1000.

19:30:25 From shannon hader to Everyone:

Also good to encourage folks to choose annual recurring dues charge for those not doing lifetime...the platform allows for it but is at the very bottom....

19:33:33 From Ken Castro to Everyone:

In f/u to Shannon Hader's suggestion, consider "discounted" multi-year dues, such as 3-year dues for \$135 vs (\$150). Other professional organizations do this...
